Controlling Cost, Risk & Liability in International Trade

Strategic Application for Sales, Procurement & Logistics Professionals

- **Control your costs and liability** by mastering how INCOTERMS[®] 2020 allocate risk, freight charges, insurance responsibility, and tariff exposure.
- **Choose the right INCOTERM for Asian** regional trade, aligning commercial strategy with practical transport and customs realities.
- **Prevent expensive cross-border errors** by avoiding common contractual mismatches, documentation gaps, and misunderstood risk transfers.
